# DISTRICT PROFILE : CHITRAKOOT

## YEAR : 2016-17

---

Chitrakoot district is one of the districts of Uttar Pradesh state of India, and Chitrakoot town is the district headquarters. Chitrakoot district is a part of Chitrakoot Division. The district occupies an area of 3,205 km<sup>2</sup>. The district has a population of 991730 (2011 Census). As of 2011 it is the second least populous district of Uttar Pradesh (out of 71), after Mahoba. On 6 May 1997 a new district was carved out from the erstwhile Banda district comprising its Karwi and Mau tehsils. The district was initially named as Chhatrapati Shahuji Nagar district. On 4 September 1998 it was renamed as Chitrakoot district. In 2006 the Ministry of Panchayati Raj named Chitrakoot one of the country's 250 most backward districts (out of a total of 640). It is one of the 34 districts in Uttar Pradesh currently receiving funds from the Backward Regions Grant Fund Programme (BRGF). Successive governments have often ignored the district's development and hence has become one of the most remote and cut-off districts in India. According to the 2011 census Chitrakoot district has a population of 991730, roughly equal to the nation of Fiji or the US state of Montana. This gives it a ranking of 448th in India (out of a total of 640). The district has a population density of 315 inhabitants per square kilometre (820 /sq mi) .

## Basic Socioeconomic and Demographic Characteristics

| Sl. No. | Socioeconomic/Demographic  | State                            | District                   |
