**VISIT INSTRUCTIONS TO ASSESS FUNCTIONALITY OF PROGRAM AT COMMUNITY LEVEL**

The district level monitor (DLM) would visit at least two **Village Health and Nutrition Days (VHND)** session, one **Middle school** and **at least five household** in the vicinity of the L1 delivery point in a month. The DLM would also interact with at least 1-2 ASHA and AWW each during the community visit. He/She would accompany the ASHA for household visits in her catchment area. A minimum of 5 household to be visited, selection of house-hold to be prioritised as follows:

1. Household with a pregnant woman
2. Household of lactating mother with 0-6mths baby
3. Household with a child of 6mths- 2 years
4. Household with an Adolescent girl/ boy
5. Household where home delivery occurred in the last one year

Even if the nearest sub-center to the village visited is not a L1 deliver point, the DLM should meet the SHC to interact with the ANM.

During the school visit the DLM should interact with nodal WIFS teacher and children in at-least two eligible classrooms.

In case of a VHND visit take a stock of essential drugs, supplies, commodities and vaccines available at the site. Review the service delivery for ANC, PNC, Growth Monitoring and Immunization. Ask the community for health messages they received from ASHA/ANM.

Supervisor need to fill code as 1, 2, 3 and 4 in box adjacent to questions (1: Yes, 2: No, 3: Not applicable, 4: don’t know)
