

- All Gaps (Estimated population of block, Mobile no. of ANM, ASHA, beneficiary) on RCH portal must be completed/corrected immediately. Migration/updation of ANM & ASHA on RCH portal.
- Notice board to be available in MOIC and BPMU Uni and monthly latest report, facility details and other details should be display.
- District officials to release budget of RCH/HMIS/ANMOL as per guidelines and BPMU Uni/MOIC need to confirm the same as per guideline.
- Training given on E-kavach/ANMOL and update to move to production part of E-kavach with latest version and regularly data entry/update on portal/application.
- HMIS solution to be implement/run on selected facility according to guideline. Already live on selected facility during visit.
- Lack of orientation/support/awareness/gaps from division end found in block/district level. Need regular basis support/orientation from division required to run MIS programme related activities.
