D. O. No. N. 11027/09/2008-FP  
Dated the 27 May, 2008

Dear

Male participation through NSV has picked up appreciably in the year 2007-08 all across the country. An important component of the programme is regular and timely supply of NSV instruments for the same. Since the procurement, maintenance and distribution from the Central level is a time consuming affair and not necessarily synchronizing with the needs of the State and moreover the item being a 'low volume' and 'low cost' one, it is suggested that the same may be procured as per requirement at the State and/or District level through NRHM/RCH-II flexipool. The specifications for the same are available on the website of this Ministry.

With regards,

Yours sincerely,

(G. C. Chaturvedi)
