NOTE 1-Red colour denotes those districts where the IMR& NMR have increased from 2010-11 to 2011-12.Green denotes where it has been reduced and yellow denotes no change .

Note-2-The districts are arranged in highest IMR/NMR to lowest IMR/NMR

Note-3 Presence of SNCU and NRC is also depicted in the last two columns,whereas NRC -NF denotes that NRC IS PROPOSED IN 2013-14 and 2014-15 but still not functional.
