## **ARTICLE 24: ACCESS RIGHTS OF CONSULTANT**

### **24.1 License rights**

24.1.1 For the purpose of this Agreement and the covenants and warranties on the part of the Consultant herein contained, the Authority, in accordance with the terms and conditions set forth herein, hereby grants to the Consultant, commencing from the Appointed Date, a “contractually required and need based” license to access the premises of the facility (the “Licensed Premises”) as specified in Schedule A, to provision services as per the Scope of this Project at the said Licensed Premises, together with all and singular rights, liberties, privileges, easements and appurtenances whatsoever to the said Licensed Premises, hereditaments or premises or any part thereof belonging to or in any way appurtenant thereto or enjoyed therewith, for the duration of the Term and, for the purposes permitted under this Agreement, and for no other purpose whatsoever.

24.1.2 It is expressly agreed that the rights granted hereunder shall terminate automatically and forthwith, without the need for any action to be taken by the Authority to terminate the Agreement, upon the Termination of this Agreement for any reason whatsoever.

24.1.3 The Consultant hereby irrevocably appoints the Authority (or its nominee) to be its true and lawful attorney, to execute and sign in the name of the Consultant a transfer or surrender of the License granted hereunder at any time after the Term has expired or has been terminated earlier in terms hereof, a sufficient proof of which will be the declaration of any duly authorised officer of the Authority, and the Consultant consents to it being registered for this purpose.

### **24.2 Restriction on sub-licensing**

The Consultant shall not sublicense its rights hereunder, save and except as may be expressly set forth in this Agreement; provided that nothing contained herein shall be construed or interpreted as restricting the right of the Consultant to appoint Contractors for the performance of its obligations hereunder.

If such meeting does not take place within the 7 (seven) day period or the Dispute is not amicably settled within 15 (fifteen) days of the meeting or the Dispute is not resolved as evidenced by the signing of written terms of settlement within 30 (thirty) days of the notice in writing referred to in Clause 24.1.1 or such longer period as may be mutually agreed by the Parties, either Party may refer the Dispute to arbitration in accordance with the provisions of Clause 25.3.

- (a) not relieve the Consultant or the Authority as the case may be, of any obligations hereunder which expressly or by implication survive Termination hereof; and
- (b) except as otherwise provided in any provision of this Agreement expressly limiting the liability of either Party, not relieve either Party of any obligations or liabilities for loss or damage to the other Party arising out of, or caused by, acts or omissions
