DATA (UPHMIS/HMIS) QUALITY AUDIT REPORT_District Bulandshahar 26th February to 1 March 2019

With reference to the Principal Secretary H & FW letter dated 31st May 2017(**स** 21-

35/2017/303/पांच-9-2017-9(127)/12) and MD NHM letter dated 13 February 2019 for the improvement of data quality of HMIS/UPHMIS, data quality audit team was constituted comprising of members from DGMH, DGFW, NHM and TSU.

All the members of the team were oriented and trained on 25th February 2019 by TSU, in close collaboration with NHM, on data element definition and methodology to conduct a data quality audit. In view of the same, Bulandshahar districts was identified (1 poor and one good performing block along with district women hospital) and team has visited from 26th February to 1st March 2019 to conduct the data quality audit.

This report provides a brief findings of the visit and facility level action plan developed for each of the visited facilities for further improvement of data quality.
